# OFFICE FORCE

The students on the office force work for Mr. Morris and Mr. Blankenbaker. Eight girls and two boys make up the staff for the principal's office. These students care for the office, keep attendance records, answer phone calls, type the bulletins, and run errands. Miss Lois Hein heads this group.

Mr. Morris' helpers keep his room in condition for each class, take care of correspondence, check and record all objective tests. These girls keep the school records in good order so that all people concerned can find their records in perfect condition.
